Book Description:

When you become the parent of a little girl, you have been given a precious gift. Your tiny little baby will become an enchanting little girl and a mischievous toddler. She will grow into an uncertain schoolgirl and a tentative young woman, feeling her way in her world.

As your daughter begins her unique journey, take some time to reflect on your wishes, hopes and dreams for her life. This journal will help you to express your thoughts on thirty topics, from school days to career, from grief to joy, and from faith to motherhood.

Work your way through the prompts from the beginning, or dip into topics that inspire you at a given time. Use the quotes and poetry to inspire your imagination and clarify your thoughts. You will be able to look back upon your thoughts in future years, and reflect. Or perhaps you will choose to give this journal to your daughter one day, as a keepsake of you and your dreams for her.
