C.O.T.C.-Kayne Revealed: The Chronicles (Volume 1) Omega Kayne

Welcome to the world where all of your of sexual desires can be explored. Serving as your tour guide will be the Master of Ceremonies and the Head Cocksman who goes by the name of Kayne. Kayne is the man you always dreamed about while you touched yourself in the privacy of your home. He is the man you always wished you could call when you wanted the right thing done to you because the wrong thing was what you were receiving. Kayne is the man you can count on when your sexual yearnings go unfulfilled and you need that extra something to bring you true orgasmic pleasure. This West Indian Cocksman is what the average man wants to become but never will simply because Kayne is built differently than the average man and none with an average pedigree can ever hope to see what he's seen or do what he's done. Throughout this book you will find that each Chronicle that Kayne experiences will be unique and ohhhh, soooo H-O-T. There will not be a moment that you won't find yourself on the edge of your seat or with your hands in secret places, doing things meant to bring you instant pleasure. His many escapades and sexual interludes will expose the most exotic and erotic situations that every woman would love to have. Ahh, love! What is that to this Cocksman? He learns from a young age that the existence of that four letter word can be quite elusive and sometimes unattainable but that doesn't stop him from seeking it, despite his predator ways. But, I digress...let me get back to telling you who this man really is. This beast of a man will take you on the most enjoyable, pleasurable, erotic and orgasmic ride that you have ever been on and make it so good you'll never want to get off. He has the "it" factor: an undeniable presence that makes everyone stop and take notice. Women want him and are willing to pay any price to have him, even if it's just for the night. Men despise him because he has the power to render them virtually invisible to the feminine eye. Simply put, when Kayne steps into the room nothing else matters but Kayne and he knows it. Some call it arrogance, others call it confidence and both descriptions are accurate. Kayne makes it known to all that it's his world...until he meets the woman who finds the key to his once-locked heart. Remember that elusive love that I mentioned before? Well, you will learn that, as does any Superman, Kayne has his Kryptonite; and her name is Olivia. Olivia will be the woman who will make Kayne rethink his Cocksman ways and change his life. But only if Alexander, the "other man," allows her to be free to be with Kayne, the man who makes her feel ways Alexander wishes he could. It is safe to say that this love triangle will bring drama all the way to the very end and, when it's all said and done, Kayne's life will never be the same. Will his Cocksman lifestyle consume his rationale? Blessed with the vernacular of a poet, the good looks of a Hollywood leading man, and the body of an Adonis, he leaves a trail of aching heartbeats that can be heard all across the world, all yearning for his touch. At an age when most boys were still playing with Tonka trucks and action figures, Kayne was introduced to an unforgiving world and a lifestyle that he didn't have the proper tools to deal with. But, the type of attention he received as a young boy and throughout his young adult years taught him the skills of sexual manipulation that would make him the most sought-after Man of the Evening and a bonafied legend. So buckle up and find yourself a cozy place to relax for a few hours because this will definitely be a page turner and a panty soaker. What you're about to be introduced to will forever change the way you think a man should make you feel all the time. You may not have known exactly what you'd find between these "sheets" but by the time you turn the last page, you will be asking, "WHO IN THE HELL WAS THAT MAN?" I'M KAYNE!!! Welcome to MY WORLD!
