Egermeier's Bible Storybook for Beginners is adapted from the popular classic Egermeier's Bible Story Book which has sold millions of copies and is beloved by generations of children and adults alike. Designed for a younger audience, Egermeier's Bible Storybook for Beginners features shorter versions of 19 of the best-loved stories from the original book, both Old and New Testaments, while retaining the traditional storytelling style Elsie Egermeier was famous for. Colorful new artwork by Pat Paris helps children understand the stories as a parent, Sunday school teacher or other adult reads to them. Little children should be able to retell each story for themselves based on what they see in the artwork. This Bible storybook is purposefully smaller so that young children can carry it, help turn the pages, and take ownership of it-making it a special Bible "just for me!"
