## **Made to Measure (Chloe by Design) Margaret Gurevich**

Chloe has college on the brain especially since it seems to be all her friends can talk about. A trip to Los Angeles to visit a potential college and appear on Teen Design Diva provides a good distraction from working on her portfolio and applications, but the experience also complicates her decision. Is Chloe's future closer to home in California or clear across the country in New York City? And how will she ever figure out which school measures up and where she fits in?
