Wholly God: The Story of a Perfect God and his Peculiar People Sandy Faulkner

This is a study of the Old Testament from creation to the coming of Christ. For twenty years Sandy Faulkner has walked with her students through the Red Sea, up Mt. Sinai, into the wilderness and around the walls of Jericho. With the passion of a teacher, the humor of a master storyteller and the authenticity of a sojourner, Sandy tells the Old Testament story without sugar coating but with love for the characters even the bad ones and devotion to the main character of the story, the LORD, who is not only holy but wholly God. Wholly God is designed for two groups of people: those who do not yet know the story and are just beginning the journey and believers who need a fuller, better understanding of the whole story who may know the stories but do not see how the stories form The Story.
