## **You Were Born Rich** Bob Proctor

Zig Ziglar may be the master motivator, Mark Victor Hansen of *Chicken Soup For the Soul*, the master storyteller; Anthony Robbins may be the guru of personal development, but Bob Proctor is the master thinker. When it comes to systematizing life, no one else can touch him. He is simply the best. Bob Proctor collects thoughts like Imelda Marcos used to collect shoes. He strings them together in exquisite arrays; one thought leading logically to the next until a whole method has been constructed.

In *You Were Born Rich*, Bob Proctor has done it again, this time taking you step by step to the surprising discovery that success is not always reaching out for something that you don't have but rather only reaching over and rearranging the pieces already there. The great value of this book is that you can instantly apply the conclusions to your own life. It will begin to impact you long before you reach the last chapter.
