The Cross of Bethlehem II: Back in Bethlehem (Volume 2) Ro'i Tov

New York, USA – The Cross of Bethlehem II — Back in Bethlehem by Ro'i Tov seeks to reveal life in Israel as a Christian Israel Defense Force (IDF) officer– from human rights violations to the use of an extensive network of underground agents. The Cross of Bethlehem II — Back in Bethlehem centers on his recognition as a refugee and his subsequent definition as political prisoner of Bolivia. Tov grew up as an outsider in the tight-knit kibbutz along the Jordan Valley. In The Cross of Bethlehem II — Back in Bethlehem, Tov seeks to share how he was caught between staying steadfast in his Christian faith and remaining obedient to his country's military. Caught in a military that challenges his spiritual and moral beliefs, Tov achieved the rank of captain while serving in the IDF. When he left Israel and threatened to disclose the details of what he's witnessed to the world, Tov became a refugee, traveling to Thailand, China, the United States and Bolivia, where he became first a refugee, and afterwards a political prisoner. "There are no other works about Israel from a Christian angle and by an IDF officer," says Tov. "Israel is in the news daily, and I believe my book gives a refreshing view on the events occurring in Israel." The book reads independently of Part I, The Cross of Bethlehem - The Memoirs of a Refugee.

Reading practice all over the world can be said as the method for people to know world considerably better then how they react towards the world. It can't be claimed constantly that reading practice only for the geeky man but for all of you who wants to become success person. So , for all of you who want to start studying as your good habit, you may pick The Cross of Bethlehem II: Back in Bethlehem (Volume 2) become your own starter.

Elizabeth Acker:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Cross of Bethlehem II: Back in Bethlehem (Volume 2) can make you really feel more interested to read.
