## **The Three Trespasses** Will Kenyon

The wolves of Rakirre have lived in relative peace for a generation. Now, one of their own threatens to destroy that peace when he uncovers a secret buried long ago. Who will stop him? And should he be stopped? From the author of the beloved story "The Littlest Goblin" comes a fantastic tale of legends, betrayal, avarice, and revenge.

Loosely based on the almost ancient Genesis song, "White Mountain", The Three Trespasses tells the harrowing tale of Fang, Son of Great Fang, who may or may not be a traitor to his people, and of the wolf hero One-Eye, who isn't exactly what he seems. From the treacherous summit of the mountain overlooking the wolf village of Rakirre, to an ancient temple that houses a secret only one wolf may know, Will Kenyon presents us an epic tale of anthropomorphic wolves originally imagined by Peter Gabriel before Will was even born.
