Umm.. Studying? What's That? Learning Strategies for the Overwhelmed and Confused College and High School Student Shivahn Fitzell, Susan Fitzell

This book, co-written by a college student and an educational consultant, presents practical, research-based, study and test-taking strategies to teenagers from the perspective of a fellow teenager. Written for middle school through college age students, there is no other book or guide on the market that actually teaches adolescents "how" to learn and study using multiple intelligences, learning styles, and brain based strategies, as this book does.
