Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 3) Tracy Warrington

Fractal cross stitch patterns are one of the hottest trends in cross stitch! All of the patterns in this book are the same size so making a matching set would be easy and an incredibly amazing project.

All stitches in each of the twelve patterns contain only full cross stitches. There are no blended stitches, fractional stitches or backstitching. The exquisite detail is created by utilizing lots of DMC colors and the end result is very well worth it.

Each pattern's stitch count is 113 x 201.

Finished Sizes:

14 count (or 28 count over-two): 8.1 inches x 14.4 inches

16 count (or 32 count over-two): 7.1 inches x 12.6 inches

18 count: 6.3 inches x 11.2 inches

25 count (over-one): 4.6 inches x 8.1 inches

25 count (over-two): 9.1 inches x 16.1 inches

The number of DMC colors used varies from 31 to 100. Each pattern is accompanied by it's own "Shopping List" which lists all floss colors and an approximation of how many skeins you will need when multiples are needed.

A project planner page is included at the back of the book as well. The project planner helps you to decide what size fabric you need in addition to other preparations for your project.
