## **Robot Envy: Zenith** Dave Pasciuto

Robot Envy is an online community with thousands of fans and hundreds of artists coming together to celebrate the world's best robot art. It began back in 2012 with a successful kickstarter campaign featuring a specialty sketchbook/package design project created by davpunk. Since then, the Robot Envy network has flourished, promoting a new artist every week for the past 3 years. This "robolution" inspired a second sketchbook titled, "Robot Envy: Reconstruction," which featured brand new sketches and designs from davpunk. Founder Dave Pasciuto (davpunk) said, "We have curated the best robot inspired artwork on the planet. It's time to promote the creators and bring their work to life. This is why we launched Robot Envy: Zenith."

Robot Envy: Zenith features a collection of the finest robot artwork in existence. One giant robot book with over 60 incredible robot artists; illustrators and sculptors from around the world. We feature some of the most inspiring artists today?like Jake Parker, Steve Talkowski, Dacosta, Brian Despain, Boris Bakliza, Emerson Tung, Bambino Monkey and Eric Joyner?just to name a very few!

The book itself is an impressive 8.5 x 11 (portrait orientation), hardcover, 256 page, full-color art book. The interior pages beautifully display all of the amazing artwork in vivid detail. Hands down, this is coolest art book you can possibly own.

So join the Robolution and activate Robot Envy: Zenith today!
