The Gambia (Bradt Travel Guides) Philip Briggs

Small in size but rich in African character, The Gambia and its resort-dotted coastline offer perhaps the closest English-speaking 'winter sun' destination from Europe. The interior, dominated by the lush jungle-fringed Gambia River, is home to plentiful birds and monkeys, time-warped traditional villages and mysterious megalithic sites. Bradt's *The Gambia* reveals all the background and practical information needed to explore arguably Africa's most welcoming and safest country, alongside detailed coverage of the many new eco-lodges and informed advice on the country's bird watching possibilities.
