## **Classic Motorboats Calendar 2002** Robert Bruce Duncan

Elegant and fast, here are glorious examples of the golden age of motorboating. Sculpted in mahogany, brilliantly varnished, fixtured in chrome, and powered by reciprocating engines of vast displacement, these personal power boats provided then - as they do now - a sense of exhilaration for their owners and intense envy for those who only watch their passage. The photographs and text of Classic Motorboats come from Robert Bruce Duncan, whose book "Cutwater" details the history of these boats built between the turn of the century and the Second World War.
