Born Latoya James, when starting high school, Cookie believes this is her time to stand out from underneath her sister's shadow. Always declared the odd one, she makes it her mission to be noticed by anyone who will pay attention. Reality starts to settle in when she realizes life isn't always peaches and cream. After witnessing the rape of her best friend, and then the death of one of her classmates, she starts to believe life isn't what she thought it would be. Sex, drugs, catering to her new demons, and hanging out with the older crowd become her escape and not even her high school sweetheart can steer her straight. It isn't until she realizes everyone around her is not who they seem to be when she decides to change her life. But when she experiences an unwanted pregnancy and the death of her mother, Cookie is left to wonder if this is the way her life will always be. Based on a true story, Cookie is a gripping tale of a teen girl who had to grow up sooner than later. Taking place in one of the fastest-growing suburbs of Fort Worth, witness the life of Cookie and her quest to be loved, appreciated, and wanted. You will soon discover life is never what it seems.
