Hooey Higgins and the Shark

Steve Voake

Hooey Higgins and the Shark Steve Voake

Meet Hooey Higgins — along with his oddball family and friends — in a laugh-out-loud madcap adventure loaded with boy appeal.

Hooey Higgins is desperately in love — with the humongous chocolate egg in Mr. Danson's store window, that is. Too bad he and his best friend, Twig, have nowhere near enough money to buy it. But when a shark is spotted off the coast, Hooey and Twig dream up a plan: capture the shark and charge people to view it. Brilliant! With Hooey's older brother masterminding the foolproof scheme, they set off with ketchup, a cricket bat, a floral quilt, and a rope in tow. What they find is so amazing it blows the shark plan out of the water! Aided by Emma Dodson's comical illustrations, Steve Voake introduces a hilarious new character in a fast-paced story kids will sink their teeth into.

From reader reviews:

Nancy Tandy:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim as well as goal; it means that book has different type. Some people really feel enjoy to spend their time and energy to read a book. These are reading whatever they consider because their hobby is usually reading a book. How about the person who don't like reading through a book? Sometime, man or woman feel need book when they found difficult problem or maybe exercise. Well, probably you will need this Hooley Higgins and the Shark.

Sunday Richey:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, what the best subject for that? Just simply you can be answered for that question above. Every person has diverse personality and hobby per other. Don't to be pressured someone or something that they don't desire do that. You must know how great along with important the book Hooley Higgins and the Shark. All type of book would you see on many solutions. You can look for the internet methods or other social media.

Verna Hibbard:

People live in this new time of lifestyle always make an effort to and must have the free time or they will get lots of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely sure. People is human not a robot. Then we ask again, what kind of activity do you have when the spare time coming to you actually of course your answer can unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative with spending your spare time, often the book you have read is usually Hooley Higgins and the Shark.

David Thompson:

A lot of guide has printed but it differs from the others. You can get it by web on social media. You can choose the very best book for you, science, comic, novel, or whatever by means of searching from it. It is called of book Hooley Higgins and the Shark. You can add your knowledge by it. Without leaving behind the printed book, it might add your knowledge and make an individual happier to read. It is most important that, you must aware about publication. It can bring you from one destination for a other place.
