Krazy and Ignatz, 1943-1944: "He Nods in Quiescent Siesta" (Krazy Kat)

George Herriman

Krazy and Ignatz, 1943-1944: "He Nods in Quiescent Siesta" (Krazy Kat) George Herriman

The final volume covers the last two years of Herriman's masterpiece. In addition to the full-color, full-page Sundays, we present scores of late daily strips and more rare artwork, and a concluding essay by editor Bill Blackbeard.

Krazy and Ignatz, 1943-1944 covers the last two years of Herriman's masterpiece. With this volume, Fantagraphics and its precursor Eclipse will have reprinted the entire 29-year run of the *Krazy Kat Sundays*! Like Charles Schulz, George Herriman was a cartoonist to the very end. Aside from collecting the last masterful year and a half of "Krazy Kat," this new volume will offer a retrospective look at Herriman's life at the drawing table, offering many never before seen samples of his original art (which the cartoonist often lovingly hand-colored for friends). Gathered from many scattered collections, these pages testify to Herriman's inveterate passion for drawing. Rounding out the volume are scores of *Krazy Kat* daily strips also from Herriman's last years, further testament to the cartoonists vitality. Series editor and veteran comics historian, Bill Blackbeard, also provides a concluding, wide-ranging essay on the life and art of Herriman. More than a simple reprint collection, *Krazy and Ignatz, 1943-1944* portrays the full range of a cartoonist who remained an artist all his life.
