Lamborghini Today: A Tempo Furioso Stephan Gruhsem

Lamborghinis are true exotics, rarely seen in public, yet admired and coveted by sports car enthusiasts everywhere. In many ways they define the word "supercar." This is particularly true today, when the Murciélago and Gallardo have taken Lamborghini to the heights once reached with the Miura and LP400 Countach.

Lamborghini Today: A Tempo Furioso focuses on the Italian company's newest superstars, chronicling the design, engineering, production, and performance of the Murciélago, Gallardo, Murciélago Roadster, and Gallardo Roadster, and showcasing each in dazzling photographs by top automotive cameraman Peter Vann. The book ranges from sites in France and Spain to the Lamborghini factory in St. Agata Bolognese, treating readers to a visit with Lamborghini model maker Egidio Reali and a look at Lamborghini's design evolution—featuring key prototype vehicles—with Luc Donckerwolke, head of Lamborghini Design.

Lamborghini is once again on a roll—at a dizzying speed. *Lamborghini Today* takes you along for the ride.
