His wisdom is grounded in both direct experience as well as in the knowledge of Jungian archetypal psychology, Eastern and Western mysticism and mythology. The book presents a rich interweaving of personal trials and challenges, insights from poet saints and mystics, uplifting experiences of the Divine being discovered in everyday life, and lofty overviews of the spiritual terrain from different vantage points. The reader will have the good fortune to find their faith and their enthusiasm for treading their path delightfully boosted by what they encounter in this book.
