**The South Carolina Dispensary: A Bottle Collector's Atlas & History of the System** Phillip K. Huggins  
An invaluable resource for collectors of South Carolina dispensary bottles from both a historical perspective and as a resource for the many variations of containers the system produced. This compilation contains an overview of the history of the system including the colorful creator (Gov. Tillman) and the events leading to and following the "whiskey rebellion". It recounts an interesting time in South Carolina history when prohibitionist compromises helped to create one of the most corrupt government-run businesses of the time.
